Continuing Guarantee & Country of Origin – Genesis Alkali Caustic Soda (50%)

Dear Valued Customer:

This letter is to confirm that Genesis manufactures Sodium Hydroxide solution at the Green River, Wyoming facility. The manufacture of Genesis Sodium Hydroxide (Caustic Soda, 50%) is based on chemical processing of a naturally occurring United States mineral source, and meets the test requirements of the Food Chemicals Codex (FCC) 8th Edition, for Sodium Hydroxide solution. (Please note the product is not manufactured under GMP's)

100% of Genesis Caustic Soda product is sourced and manufactured in the State of Wyoming, United States.

Genesis guarantees the quality of this product only as long as the product remains in the original unopened bulk container as shipped from the Genesis Green River facility.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Michael Kemmerer'.
