Re: **Continuing Guarantee-Country of Origin; S-Carb®**

Dear Valued Customer:

This letter is to confirm that the manufacture of Genesis's Alkali S-Carb® Feed Additive is based on the refining of trona ore, a naturally occurring mineral sourced at the Genesis Green River facility in the U.S.A. The product does not contain any adverse contaminants as part of its origin. S-Carb® is suitable for use in animal feed and is Generally Recognized As Safe (21 CFR Section 184.1792) according to the FDA. Its purity is >99% with trace naturally occurring mineral content. This guarantee continues with the product only as long as the product remains in the original unopened container from the original manufacturing site:

Genesis Alkali Wyoming, LP  
580 Westvaco Road  
25 miles west of Green River  
Green River, Wyoming 82935  
United States of America

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Michael Kemmerer".
