Re: **Sodium Sesquicarbonate Continuing Guarantee & Country of Origin**

Dear Valued Customer:

This letter is to confirm that the manufacture of Genesis Alkali sodium sesquicarbonate (all grades) is based on the refining of trona, a naturally occurring mineral, and does not contain adverse contaminants as part of its origin. Its purity is >99% with trace naturally occurring mineral content. This guarantee continues with the product only as long as the product remains in the original unopened container from the Genesis plant in Green River, Wyoming.

100% of this product originates and is manufactured in the state of Wyoming, United States of America. The address of our manufacturing site is:

Genesis Alkali Corporation
580 Westvaco Road
Green River, Wyoming 82935

Please contact me if you have any questions.

Sincerely,
