Re: Genesis Alkali Caustic Soda (50%) - Nutritional Information

Dear Valued Customer:

Genesis Alkali 50% Sodium Hydroxide (Caustic Soda) is an inorganic solution. It has no caloric value, vitamins, fats, carbohydrates, or proteins.

This “chemical caustic” is produced from a natural mineral source. It contains mineral-based nutrients only in trace amounts, with the exception of sodium, which is a major elemental constituent. For trace nutrient information, please consult the product technical data sheet.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Michael Kemmerer'.
