**Re: Genesis Alkali Caustic Soda (50%) - TSE/BSE Statement**

Dear Valued Customer:

This letter is to confirm that Genesis Alkali sodium hydroxide (all strengths) would not be at risk for carrying transmissible spongiform encephalopathy (TSE) or Bovine Spongiform Encephalopathy (BSE) materials. No animal or animal by-products are used in the manufacturing process. This guarantee continues with the product only as long as the product remains in the original unopened container from the Genesis plant in Green River, Wyoming.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Michael Kemmerer'.
