Re: **HALAL Conformance Genesis Alkali Sodium Bicarbonate**

Dear Valued Customer:

Genesis hereby declares that our product, sodium bicarbonate (all grades) is not certified as HALAL; however we believe this product conforms to HALAL requirements, in that:

- The products do not contain any ingredient of animal origin.
- The products do not contain ethyl alcohol and ethyl alcohol has not been used in the manufacturing process.
- Enzymes are not used as raw materials in the manufacturing of the product.
- The equipment used for manufacturing the products is not used for the manufacturing of products containing ingredients of animal origin.
- The product is stored separately from products of animal origin and products containing such ingredients.

Please contact me if you have any questions.

Sincerely,

Michael Kemmerer
