**Re: Certificate of Origin Statement Genesis Alkali S-Carb®**

Dear Valued Customer:

This letter is to confirm that the manufacture of Genesis S-Carb® (Feed Grade Sodium Sesquicarbonate) is based on the refining of trona, a naturally occurring mineral sourced at the Genesis Green River facility located in the U.S.A. The product purity is >99% with trace naturally occurring mineral content. This guarantee continues with the product only as long as the product remains in the original unopened container from the Genesis plant in Green River, Wyoming.

Manufacturing Address: Genesis Alkali Wyoming, LP  
580 Westvaco Road  
Green River, Wyoming 82935

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Michael Kemmerer'.
