**Re: Country of Origin & Customs Classification Statement Genesis Sodium Bicarbonate (all grades)**

Dear Valued Customer:

This letter is to confirm that Genesis manufactures sodium bicarbonate (all grades) at the Green River, Wyoming facility. The manufacture of Genesis's sodium bicarbonate is based on chemical processing of a naturally occurring mineral source mined in the Southwest section of Wyoming, in the United States.

100% of Genesis's sodium bicarbonate product is manufactured in the United States; State of Wyoming.

For customs purposes, the HS Tariff Classification number is 2836.30.0000.

Please contact me if you have any questions.

Sincerely,
