Re: **Non-Animal Origin Ingredient Statement, Genesis Alkali Sodium Bicarbonate**

Dear Valued Customer:

Genesis Corporation certifies that our sodium bicarbonate (all grades) does not contain any animal based ingredients or derivatives and that none of these substances have been intentionally added during the manufacturing process.

Specifically:

1. This product is not of animal origin.
2. Intermediates and starting substances are also not of animal origin.
3. The product is made by a process in which only processing aids of non-animal origin have been used.
4. The product is not expected to come into contact with animal or animal derived products during manufacture, processing, storage or transport.

This information is not a product specification; therefore the product will not be tested for animal derived content.

Please contact me if you have any questions.

Sincerely,
